

## **Metalcolour takes over SSAB Laminated Steel**

As of March 1 2009 Metalcolour A/S in Nykobing Falster, Denmark has taken over 100% of the shares in SSAB Laminated Steel AB. The Swedish company will be renamed Metalcolour (Sverige) AB.

SSAB Laminated Steel, which is a subsidiary of SSAB Strip Products, is located in Ronneby in Southern Sweden. It has annual sales of around EUR 16 million and employs approximately 30 persons. Under the brand name Dobel, the company is one of the world's leading manufacturers of laminated steel and aluminium to the ship building industry and a number of industrial applications.

"We are very pleased to be able to combine SSAB Laminated Steel with Metalcolour", says Managing Director Henrik Kaa Andersen. "The two companies complement each other extremely well and together we will be able to offer an exceptionally broad and competitive product program. In addition, we expect to be able to bring a number of new innovative products to the market".

Metalcolour A/S has annual sales of around EUR 12 million and employs about 35 persons. The company manufactures both coil coated and laminated steel and aluminium for a number of applications including automotive parts, appliances, ship and indoor panels. It also supplies coated and laminated plates with printed images.

Ingemar Forsberg continues as Managing Director for Metalcolour (Sverige) AB and becomes new Group Commercial Director.
